

Deep within the confines of a local civic library a group of children have quietly taken over. They have made their way into the filing cabinets, crawled through the bookshelves and wandered across the library reading benches. **'Apart from the Road'** is a collection of whispered poems and miniature dances drawn from the urban landscape at the edge of East London; the voice of transient school days emerging from the roar of traffic on the adjacent A13 roadway.

A 'Year of the Artist' project
Barking Central Library is fully accessible
Nearest tube: Barking (District and Hammersmith and City)
